| Note : | | 1 | | I | | 1 | |

- Note:

 1 Above Statement is an abstract of Load Generation Balance as per Day Ahead Schedules, based on State Merit Order Despatch. Maximum backindown quantum during "Backing down Period" is indicated in the statement. Blockwise variations are available under "View Schedules".

 2 MOD rates revised w.s.f 12-JULY-2017.

 3 # Indicates that back down withdrawn due to Line loading/system constraints.
